FIFTH DISTRICT LAY MINI CONVENTION

March 11-12 2016 | Hilton LAX | Los Angeles, CA

Committee Assignment/Activities

- To promote wholeness of adults, youth and children of our congregations and communities, through services, programs and activities targeting the mind, body and soul. Enter here
- To promote wholeness of adults, youth and children of our congregations and communities, through services, programs and activities targeting the mind, body and soul.
- Education is important in understanding-which hopefully leads to healthy behavior, change and ways to cope with chronic problems.
- Our churches have worked very hard putting together workshops, community activities (health screenings) conference and conventions providing information to the community.

Pertinent Issues Discussed, Findings, Conclusion, Etc.

- Outcomes Expected
 - Individuals are empowered:
 - To improve their own health and welfare
 - To work collaboratively with the church
 - To encourage members of the congregation to work collaboratively with other congregations
 - To improve our communities

Recommendations

- None at this time

Milestone/Implementation Dates

- We have new congregations to join the Health Ministry in the 2015-2016 conference year. Praise God for their understanding of health education for everyone.
