

## District Officer Report

**District Office:** Third Vice President

**District Officer Name:** Vanessa Anderson

### Activities / Projects

From the start of being appointed to this position as it was vacant, my goal was to review what the position entails and to support where needed within the Lay Organization.

In this position, I have been fortunate to attend the various calls and workshops given by our Connectional Third Vice President Evangelist Lovie Aaron, this has helped in sharing the information on Evangelism given by the Connection.

Within the 5th District, I have started a virtual bible study and I look forward to revamping the bible study series so that it can be impactful for all laity and beyond.

### Accomplishments

I submitted to the Connectional 3rd Vice President the requested Lay Witness Day program flyers from various churches in the 5th District so the 5th District will be represented in the Biennial Report of the 3rd Vice President.

### Future Office Plans

Help churches Recognize Connectional Lay Day, Evangelism Sunday, and continue to recognize Lay Witness Sunday, develop an evangelism template for all churches to use in helping their Lay Organization. Be sure to collect the information for all 3rd Vice Presidents (Conference and Local) to help equip them for their role and duty within the Lay Organization

### Budgetary Needs

(2025-26 District Officer Budget needs)

TBD - possibly printing and mailing for the evangelism template/pamphlet.
