

President's Address – 5th District Lay Organization

Theme: ACTIVATE (Mark 11:24) & Launching Activate 2.0

Good evening, family of faith.

What a joy it is to stand before you today, giving all glory to God for bringing us together as laborers in His vineyard. I count it a privilege to serve as your president and reflect on the transformative journey we've taken together over the past four years under the banner of our district lay theme: **ACTIVATE**, rooted in Mark 11:24:

"Therefore I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours."

These weren't just words. This was a charge, a spiritual eruption for us to *activate* our **faith, training, growth, evangelism, and empowerment**.

Over these years, we made bold moves and planted seeds of purpose. We launched:

- **Blue Table Talk:** creating sacred space for real conversations, raw testimonies, and restorative dialogue rooted in transparency and truth.
- **Faithful Fridays:** where we gathered across the district to share devotion, encouragement, and communal hope.
- **First Fruit Bible Study:** grounding our month and our movement in the Word, giving God our best and watching Him multiply the rest.
- And we embraced **collaborative ministries:** breaking silos and building bridges between local churches, young adults, clergy, and laity alike.

These weren't just programs; they were proof that when the people of God come together in faith, believing, God meets us right where we are.

We activated. We moved. We matured.

And now, as we prepare for the next chapter, we don't pause — we **elevate**.

I am excited to unveil our next quadrennial theme:

Activate 2.0 — *Faith in Action. Healing in Harmony.*

Activate 2.0 is not a reset. It is a **revival** of purpose — one that partners intentionally with our 5th District's focus on **Mental Health, Mission, and Music**.

- We will continue to champion **mental wellness**, removing the stigma and raising awareness through workshops, prayer lines, and healing spaces.

- We will expand our **mission work**, turning compassion into action locally and globally.
- And we will reclaim the power of **music** — not just as tradition, but as ministry that speaks to the soul and stirs the Spirit.

The next four years will not be about maintaining momentum but multiplying it — with deeper partnerships, stronger leadership pipelines, and a renewed spiritual boldness.

So I ask you: Are you ready to **Activate 2.0**?

Let's do more than gather. Let's grow.

Let's do more than speak. Let's serve.

Let's do more than hope. Let's **believe** — and walk in the manifestation of what we've prayed for.

Thank you for trusting me to serve. Thank you for your labor in love.

And thank you, most of all, for being **activated**.

God bless you. God bless the 5th Episcopal District.

Let's go forth — **empowered, equipped, and ignited**.
